1	Construction costs	25,00,000.00		
TOTAL		25,00,000.00		

10) BENEFICIARIES PROFILE:

a) Description:

The school is a primary school i.e. standards I to VII. Students are in the 6 – 14 years age group. The students attending this schools are all Adivasis, Warli being the dominant tribe in this area. About 40% of the students are girls. This is a Marathi-medium school. A number of the salaried Adivasi (Adivasis with permanent jobs) in that area, including the Catholic families, are sending their children to other English-medium schools approximately 15 kilometers away. The children attending our school at Karazgaon come from the lower income group, even within the Warli community.

11) Number of Beneficiaries: 350 students each year.

12) KEY ACTIVITIES IN BRIEF TO ACHIEVE THE KEY OBJECTIVES.

- a) Erection of a ground floor, load-bearing structure comprising five classrooms, administrative block and toilet block.
- b) Pulling down the damaged block, levelling of land for play ground.
- c) Painting of new and existing block.

13) ANSWER YES or NO:
