

GNANAJYOTI COMMUNITY COLLEGE

HIGHLIGHTS OF ACTIVITIES – OCTOBER 2017

2ND OCTOBER : GANDHI JAYANTI

Staff and students were involved in “Shramadhan” (manual work) for an hour in the College Campus in silence. They cut the grass and cleaned the weeds from certain areas in the campus. Later there was a programme which began with a bhajan followed by a talk on Gandhi, the Father of our Nation; on his values and principles. The students put up a play depicting Gandhi and his message of ahimsa, peace and non-violence. This was followed by lunch for all.

LIFE COPING SKILLS:

On 3,4, 5 October Mr. Jhuran and his team gave students a session on the skills of “Street Play”. At the end they presented a street play in the market place, in the surrounding village and in a school nearby with the theme on: the ill effects of alcoholism, gender equality and the importance of education.

It was heartening to note the confidence of the students and the effectiveness of the street play sessions

A Street Play was also performed on the same topics on the occasion of the Parish Feast at Gangangaon Parish on 29th October.

This too was well done by the boarders of the Institute and appreciated by the Priests and the parishioners. The message was very apt.

SALE OF WARLI ARTICLES

2 such sales were conducted in Mumbai. On 7/8 October at Holy Name Parish, Colaba and on 29th October at Holy Family Church Chakala.

The parishioners in both parishes patronized the sale.

TERMINAL EXAMS

Exams were held from 9th October to 14th October in the College premises.

Staff and students then left their Divali holidays which were from 15th October to 20th October.

BIRTHDAY CELEBRATION

On October 28 a group from Vasai came to the College to celebrate with the students the 5th Birthday of Robert, a resident from Vasai. The students prepared and executed a programme which included the traditional Warli dance. An inspiring message was given by one of them on the importance of education.

Then followed a delicious lunch sponsored by the family.

We thank God, our benefactors, our staff and students for their involvement in the College.
