

## Monthly Report of January 2019

Wish you all a very happy and prosperous new year 2019. We are grateful for all of you for the generous support we receive for the poor. Each month our thrust for the work is different but related to the previous months. This month's thrust was Republic Day celebration, Women's study tour, sport and indoor games for women. As usual all the 30 SHG meeting were taken and two training programmes for women were taken, supplementary class for children also continued.

### Empowerment and education of children

There are 7 supplementary classes are going on very well. This month we had republic day celebration and warli art competition for them. It was a very good encouraging experience for us as many students spoke about the leaders of our country.

### Empowerment and Education of Women

We **115 women** from the adivasi villages were taken to sylwasa and shelty adivasi girls boarding where we had training for women – personality and group building session. It was done through various games and active interaction with the people. The women enjoyed the study tour and sports day celebration. They said that we are not taken by anyone but the Jivhalla Assumption Social Centre is concerned about the poor women like us.

**Sports for women**'. The purpose was that the women usually feel shy to come out and be themselves. Also they have no other thing working hard for the children and husband and family. So this sports day for the women to enjoy, relax, a

**PAN card:** to make ID card of women is a difficult thing as they do not have other necessary proof. So it was a hectic work, by contacting many people who have political influence.

**Agarbathi Making Training:** the ladies were given training to make agarbathi – which has demand in their own wvillage itself. They are motivated to continue to make it to make it a business to increase their income.

**Cyber Threats:** awareness on cyber threats were conducted by Mrs. Shalini madam. The ladies were made aware of the ill-effects of overuse of mobile and internet. It help them to guide the children and youth.

**Counseling services** follow up of counseling cases.
