

## **Monthly Report of February 2019**

This month was a very meaningful month where the ladies and children were supported and helped in different ways such as being with them in their needs and wants.

### **Empowerment and education of children**

There are 7 supplementary classes going on very well. Preparation for exams are started for the children. The teachers are taking more time to help the children in their school subjects.

### **Empowerment and Education of Women**

**Cyber Threats:** awareness on cyber threats were conducted by Mrs. Shalini madam in another two sides of the villages of Vasai where 4 self Help Groups joined together, thus 8 groups had training this month. The ladies were made aware of the ill-effects of overuse of mobile and internet. It help them to guide the children and youth. There was also **leadership training** for another four groups which was very encouraging to see their development, new groups are shy and timid whereas the old groups are very smart.

### **Bank Account opened**

Three new SHG groups account was opened in this month. They are from a very poor villages and they need support to deal with the bank and the account system.

**Counseling services** follow up of counseling cases. There was a case of a poor girl who needs follow up in a skilled centre. She is 20 years old and her IQ is low. She likes to come here and spent time talking and roaming around the area. Her mother is very upset and the Jivhalla is counseling both mother and the girls simultaneously. the girls needs to be given proper followup.
