

Monthly Report of April 2019

Greetings and wishes to all ADA friends from the JASC beneficiaries along with the staff of JASC. We are always grateful for your support.

Empowerment of Women

The work with women went on in full swing as financial year 2018-19 is ending. All the account books of the groups are cleared and now need to follow it up with great care and efficiency. This month's one of the main programme was the interaction and networking with Savio School, Anderi, Mumbai. On 6th April, the alumni association of Savio School came to JASC with great support for its activities. Two months before the programme, the President of this alumni association of Savio School started planning with the director of JASC with regard to helping the poor people. After many discussions and interactions, we decided to give to all women sarees which will help them and school bags for the children in our supplementary centers. With this plan this group came on April 6th and it was indeed a great day. We were overjoyed seeing our guide and mentor Mr. Macario Fernandes with this group. For all it was a day of joy and celebration. During the programme the whole group encouraged the women and children. They encouraged them to go ahead with courage and hope.

All the **SHG meetings** were conducted. During the meeting they were explained about the income, expense, profit and the importance of continuing the saving instead of withdrawing and spending.

Training on women's health Care

Training on women's' health issues and necessary care to be taken was conducted by Dr.Deepak Desai and Usha Desai. It was a very educative session and the people profited from it to a great extent. It was done in two centers one in the Rajodi centre and another at Giriz.

Work with Children

As their exams got over, in one village summer camp went on till the end of the month. It was conducted by Nirmala Niketan College students and St.Xaviers students. As children are on holidays, classes are stopped. The supplementary classes will resume in two centers where water do not enter, in June when the school reopens.

Half month the JASC had annual holiday. Thanking all the ADA members and your team. We are very happy for the guidance we received periodically from our guide Mr.Macario. Thanks and prayers

Sr. Deepti Srankal, the Director

Jivhalla Assumption Social Centre
